

The Cincinnati Academy of Professional Psychology Presents

She's Crazy: Mental Health and Other Myths

Written and performed by
Sherry and Erin McCamley and Cathy Springfield

December 5, 2016 at Loveland Receptions
10681 Loveland-Madeira Road, Loveland, OH 45140

This entertaining educational presentation combines the stories of the actors' experience of their mental illness/substance use with current statistics and stories of healing. The cabaret style presentation will highlight issues related to substance abuse/dependence, bipolar disorder, major depression, OCD, PTSD, family dysfunction, suicide, mental illness statistics, suicide statistics, mental illness stigma, and accessing mental health services.

Attendees will:

1. **Learn current mental health statistics as they apply to US populations including the military and youth**
2. **Enhance empathy for individuals who experience mental illness and substance use disorders**
3. **Identify interventions that help**
4. **Understand the need to reduce stigma around mental health issues.**

Psychologists and other mental health professionals can receive 2 CE (CPE) units for attending the performance only (starting at 7:30 pm) for a fee of \$30. CSWMFT approved.
